

PLAYATHON 20167

PIRD Order Form

“Personalized Invitation and Request for Donation” Cards

Playathon is the largest and most successful student-led fundraiser of its kind. Last year our students raised \$83,832.43! It is truly a powerful tradition! We will be using both PIRD cards and our online donation system to raise funds for NJYS!

We will once again have PIRD cards with a picture of your child’s ensemble and with this order form you will have a chance to tell us how many cards to print, just for you!

What do you do with PIRDs? Send them to friends and family to raise funds for Playathon and to invite them to the concert on April 2, 2017

What comes with my PIRD?

- A PIRD card that includes a description of Playathon, a picture of your ensemble, and an invitation to the concert
- a return card and envelope.

How to send your PIRDs?

- **FILL OUT PIRD** return card for your donor with NJYS participant’s name and ensemble
- **SELF ADDRESS** the main envelope and return envelope
- **Stamp** the return envelopes to make returning donations easier

If you are interested in a PIRD card to which you can add an individual picture of your child, please contact hannah@whartonarts.com and she will email you a link in order to create a PIRD with your own picture of your child.

PIRDs are free but please order only the amount you plan on mailing.
